

WARNING

PRECAUTIONARY BOIL ADVISORY

Water System Name: McClain RWD 8

Public Water Supply ID: OK 2004711

Due to Loss of Pressure (problem) in the water system and the potential for contamination as a result of this situation, the drinking water supplied by McClain RWD 8 (water system name) may be unsafe for human consumption. As a precaution, **it is advised that the consumers of this water system bring the water to a full, rolling boil for at least one minute before drinking**, consumption, food preparation, baby formula preparation, dish washing, tooth brushing, ice making, wound care, and bathing infants who may ingest bath water. **Alternatively, bottled water or another acceptable water source may be used.**

Comments: We are following DEQ procedures and will continue to do so, till pressure is restored

This advisory will remain in effect until further notice. Questions concerning this situation should be addressed to Ossie (name) at 405-449-7700 (phone).

Address of the PWS: 100 North Shannon
Wayne OK 73095
County: McClain
